WATER IN HIS FACE

Learn Together Discussion Sheet

Let's Learn Together!

This story teaches us that when one idea does not work,
we can try another one until we find a solution.
Let's think, talk, and learn together!

Creative Problem Solving

Sometimes problems require us to
think of different solutions.

We can:

- ★ Try new ideas
- ★ Learn from mistakes
- ★ Keep trying
- ★ Use our imagination
- ★ Solve problems step by step

Remember

Brother would not wake up for school.

Gracie tried using a bullhorn and jumping
on the bed, but neither idea worked.

She finally found a creative solution by
sprinkling a little water on Brother's face,
which woke him up.

Part A: Story Comprehension

1. Why did Mother ask Gracie for help?

2. What was Gracie's first idea?

3. What was Gracie's second idea?

4. What was Gracie's final idea?

5. Did Gracie eventually solve the problem?

Part B: Learn Together Discussion Questions

1. Why do you think Gracie kept trying new ideas?

2. What can we do when our first idea
does not work?

3. Why is it important not to give up too quickly?

4. Can you think of a time when you solved
a problem by trying something different?

5. What does it mean to be creative?

Think About It

- ★ Why did 'the bullhorn work?
- ★ Why did Gracie continue
trying new ideas?
- ★ How did Gracie feel when
she finally solved the problem?

Let's Talk Together

- ★ What is a problem you
solved recently?
- ★ What are some ways we
can think creatively?

Big Idea

When one idea does not work,
trying a different idea
can help us find a solution.
